

Easy Step-by-Step Guide – How to Join Our Zoom Sessions

1. You will receive an email/text inviting you to the session
Click on the link within your email/text and it will take you to the next screen.

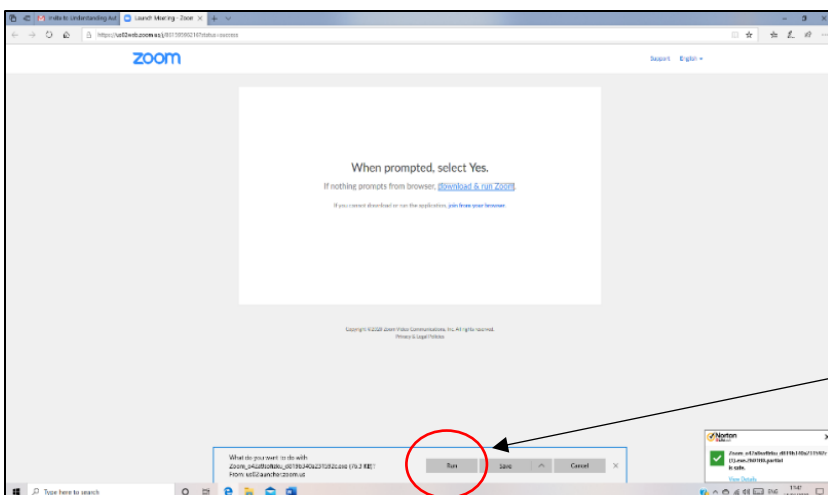

You can join with mobile device just download – Zoom App.

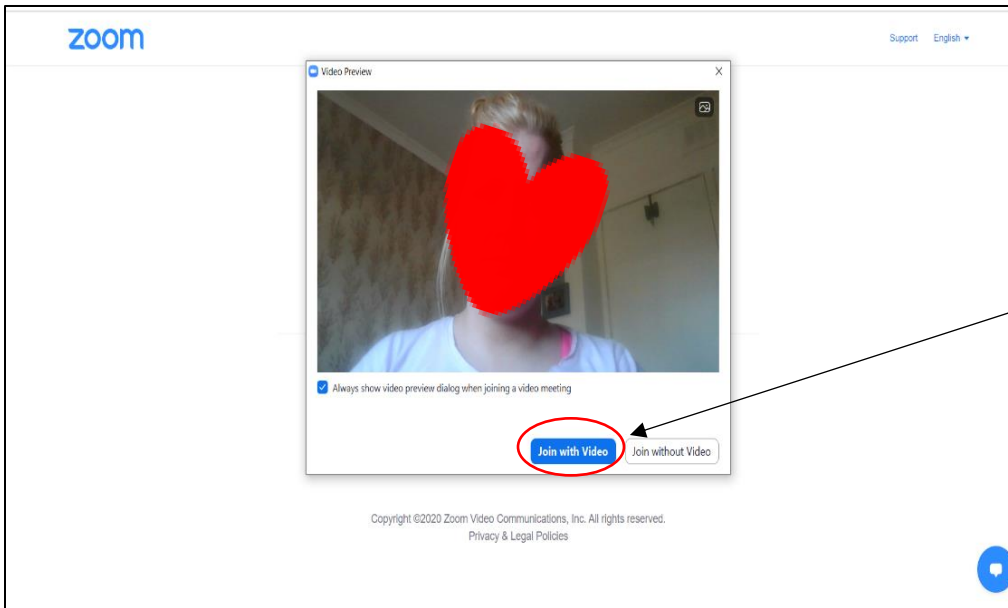

2. Once you have clicked on the link in the email/text, it will take you through to a page that looks like this.

If you have previously downloaded the Zoom app to your device, click 'Open Zoom'

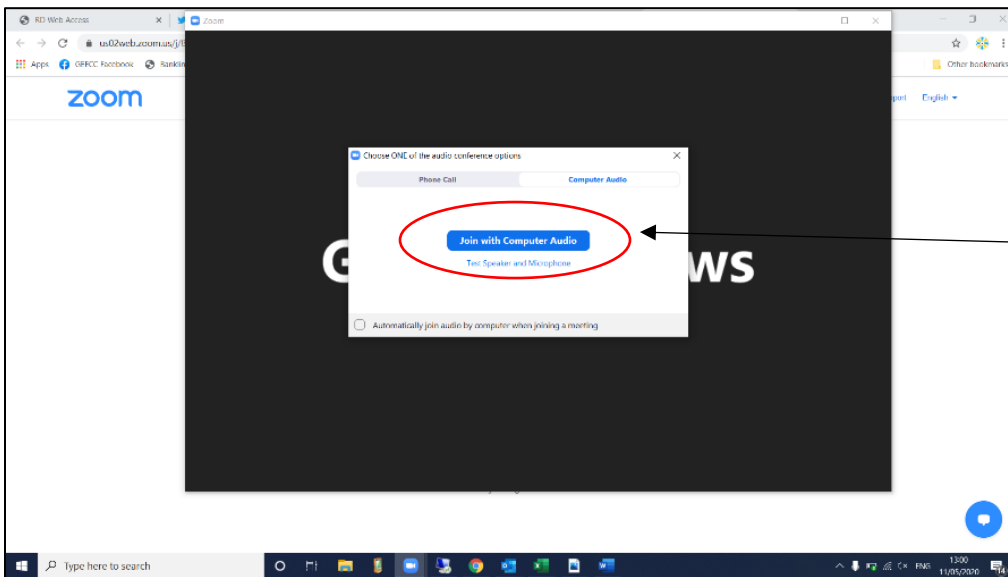

If not, click 'download and run zoom'.

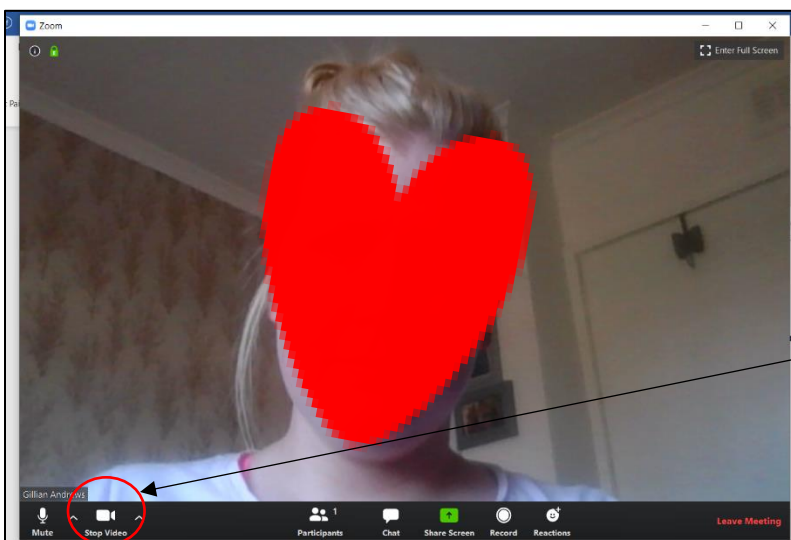

3. Then, if you are downloading Zoom for the first time, click on Run button that pops up on the bar at the bottom of your screen.

4. You may then be prompted to click join with video.

5. It should then take you through to a screen that looks similar to this. Click on join with computer/phone audio.

6. This should take you to the Zoom session and you should see yourself on your computer screen. If you don't see yourself on the screen click on the video icon button that you should see at the bottom left hand side of the session. Once you're in, we'll take everyone through the screen settings so you have a positive experience!

We are really looking forward to virtually meeting you all 😊
